Another Paradise

👁 31 ✓ 0 ★ 1

Chapter 1 by Artheimr

What will I embrace?

In the shadow of desire

I abandon ideals as I was drenched in pain

It's like this is another world, even so it is the truth

I will protect you with these stained hands

As I gaze at the star I can't grasp

Now I will brandish a glinting dream in the darkness,

so that it will shine down on our overlapping lives

With the strength that I have chosen some day i will arrive,

believing that place to be paradise.
